

Final Production Notice

netPIX Platform

As part of the product life cycle management process, Leyard Europe regularly reviews and updates its product portfolio. Effective 01 April 2026, Leyard Europe is issuing **Final Production Notice** for the **netPIX platform**.

The final validated and supported Windows baseline for the netPIX platform is Windows 11 23H2 Build 22631.

This notice applies to the following currently active models within the platform:

Product Family	Part Number
netPIX-SDC	CNNTPXSDCV1
netPIX-Fusion	CSEYXWIN11F1
netPIX-Fusion-4-IN	CSEYHDMI4INF1
netPIX-Fusion-4-OUT	CSEYHDMI4OXF1
EPU-400	EPUX400XX001

Leyard Europe is conducting final production planning for the netPIX platform and the affected models listed above. Orders will be reviewed based on production planning, material availability, and order acknowledgment status.
